Camp Scholarships

The Crozet Sports Summer Camp will be offering financial assistance to eligible camp families through the Crozet Sports Community Foundation. A partial reduction in camp fees will be offered to eligible families on a first come, first serve basis. Our goal is to work with families to ensure that our Summer Camp is accessible to the entire community. Please contact us at info@crozetsports.com to further discuss this program and to apply.

Do not register online for summer camp if you are applying for a camp scholarship. You will be unable to register for camp online without submitting payment. We will hold camp spots for you while we are processing your scholarship application. If approved for the scholarship, we will then provide a scholarship discount code to use during the online registration process.
